

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students, and staff of Todd-Grant Elementary School developed this School-Parent Compact. Parents were involved through the TGE School Council, surveys, parent/teacher conferences, and the school website.

Due to the Covid-19 pandemic, the School-Parent Compact was cloned for the 2020-2021 school year. Input will be sought in the spring for the 2021-2022 school compact.

Building Partnerships

View Virtual Open House videos posted on Todd-Grant's school web page.

Spend time reading to your child during Read Across America and Lunch with a Loved One.

Participate in Bingo for Books and help your child grow your home library.

Communication about Student Learning

Todd-Grant Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways that you can expect us to reach you are:

- Tuesday folders
- Parent-Teacher Conferences
- Agendas
- Progress Reports every 4 ½ weeks
- Semester Report Cards
- Parent Portal
- Monthly Newsletters
- Updates on school website and Facebook
- Remind App
- Teacher Google Sites

Do you have questions about your child's progress?

Contact your child's teacher by phone (912.437.6675) or e-mail.

Our Goals for Student Achievement

District Goals

The Board of Education sets goals for the entire district. The district goals for 2021-2022 are:

The percentage of students scoring at Developing Learner or above on the Georgia Milestones (GMAS) English Language Arts End of Grade Assessment will increase by five percentage points.

The percentage of students scoring at Developing Learner or above on GMAS Mathematics End of Grade Assessment will increase by five percentage points

School Goals

Todd-Grant Elementary School will increase the percentage of students scoring at Developing Learner or above by five percentage points as measured by Lexile scores on the GMAS End of Grade Assessment.

Todd-Grant Elementary School will increase the percentage of students scoring at Developing Learner or above by five percentage points as measured by the GMAS Mathematics End of Grade Assessment.

Grades will focus on the following areas:

- Phonics Instruction (K-3)
- Building fluency in CVC words (K)
- Increasing Lexile levels, fluency, and vocabulary development (K-5)
- Integrating writing through all core content areas (K-5)
- Citing Textual Evidence (1-5)
- Building Math Fluencies (K-5)

Teachers, Parents, Students – Together for Success

In Our Classrooms

Teachers will work with students and their families to support students' success in reading and math. Some of the key connections with families will be:

- ✚ Provide parents with sight words and strategies to make learning sight words fun
- ✚ Our monthly newsletter will feature games that families can play to review the vocabulary words we have introduced in our classroom, upcoming topics of study, questions that can be used to check/monitor comprehension of library books
- ✚ Our school webpage and teacher Google Sites have links to family friendly websites for building vocabulary and math skills

At Home

Todd-Grant parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- ✚ Check your child's agenda everyday
- ✚ Ask your child questions about the books they are reading
- ✚ Look for the class newsletter each month and play word games with the vocabulary words and find new ways to use these words in family conversations
- ✚ Check out the school webpage and visit the links for building vocabulary and math skills

Todd-Grant Students

Todd-Grant Elementary students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Todd-Grant students will be Ready, Respectful, and Responsible to ensure their success as a Todd-Grant Elementary School student.

- ✚ Bring agenda home and to school daily.
- ✚ Bring home monthly newsletter.
- ✚ Read for 20 minutes each night and answer questions about the book to check for understanding.
- ✚ Bring home monthly newsletter.
- ✚ Practice Math Facts.
- ✚ Go to links listed on the school webpage and Teacher Google Sites to practice skills learned.
